

TRIMAC

Construction Portfolio

About TRIMAC

TRIMAC construction division comprised of the consortium between MAC Co. (Class 1) & SBCM Co. (Class 2) stands as a premier provider of construction services throughout the Kingdom of Saudi Arabia. TRIMAC Holdings have a distinguished track record characterized by the successful execution of milestone projects and the establishment of enduring relationships forged with clients. Our services encompass the entire development spectrum and embody a "Glocal" approach. This term signifies our global exposure through a network of affiliations, coupled with a profound understanding of the local markets. This enables us to consistently deliver world-class projects across the Kingdom. At the core of our business model lies efficiency, cost management, and customization. Employing a highly methodical approach, we assure that our clients achieve their unique project goals whilst creating sustainable assets that provide long-term value.

Construction Division Combined Capabilities

1. Class 1 classification.
2. Proven track record of delivering large-scale developments.
3. Solid resources.
4. Solid financial capabilities.
5. Diversified Engineering & Construction capabilities.
6. Experience working with international consultants & clients.
7. Effective construction systems & procedures.
8. Strong presence kingdom-wide.

ALIGNMENT WITH **VISION 2030**

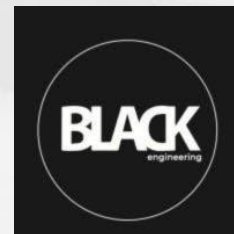

Trimac aligns its long-term strategy with Saudi Arabia's Vision 2030, focusing on developing local talent, empowering women, and creating jobs. Trimac nurtures the skills of its workforce, fostering personal and professional growth. The company is dedicated to breaking gender barriers and providing opportunities for women to excel in their careers. Trimac aims to stimulate economic growth by creating new job opportunities and expanding its operations. Together, Trimac is committed to contributing to a more prosperous and inclusive future in line with the goals of Vision 2030.
